TOPDOG says, "Make sure Mom and Dad are the ONLY ones to light fireworks. And remind them to always light fireworks outside and keep water close by."

"Keep a safe distance. Fireworks can be hot, so never pick them up or stand too close. It's also a good idea to wear protective glasses for extra safety."

Fireworks can bite, so remember

Play it safe.

"Remember, be courteous to your neighbors. Make sure your parents pick up your trash after it has cooled off."
